## INSTRUCTOR EDUCATION KIT

The Instructor Education Kit is included in the cost of tuition, for students who pay for the full program. Transfer students are responsible to purchase the education kit at an additional cost from the published tuition.

#### CONNECTING TO MY FUTURE APP

Connecting to My Future is a professional development app designed to help transform yourself into your new role as a successful, confident, and knowledgeable salon, spa, or barbering professional. Having this strong foundation is key to success in the beauty and barbering industries.

This book focuses on the following:

- Essential skills — Also known as “soft skills,” and include communication, empathy, mindfulness, social and emotional IQ, the Be Nice culture, being a team player, and more.
- Career services — Teaches professional career preparedness skills and provides the hiring opportunity connections for school graduates with salon, spa, and barbershop owners and managers.
- Financial literacy — This is how students gain a financial education and the confidence to properly manage and understand their money.

Each chapter of the app connects the reader with inspirational and experienced mentors, along with activities, videos, and MASTERS Podcast interviews.

#### MAKEUP PORTFOLIO

The Makeup Portfolio is a comprehensive workbook designed for students and professionals in the makeup industry. It guides users through various makeup techniques, from foundational skills to advanced applications, while also emphasizing the importance of building a professional portfolio.

#### EDULAR

Edular is the student success platform used by the school to support education programs. Its student-driven, mobile first design enhances the student experience, helping Future Professionals stay organized and on track from enrollment through graduation.

Edular provides a centralized hub where students can:

- Access and complete required documents – Enrollment forms and other school documents are sent and stored within the Edular app for convenient and secure submission.
- Track academic progress – Through the Edular Skills Tracker, students can record completed skills, upload supporting materials such as photos, PDFs, and short videos, and submit skills for instructor review. Instructors can approve, reject, or grade submissions according to program requirements.

- Monitor program details – Students can view real-time information from the school's Student Information System (Freedom), including Attendance Percentage, GPA, Program Details, Last Date of Attendance (LDA), Start Date, End Date, and additional information related to their enrollment.
- Engage in streamlined financial processes – Edular integrates with the school's payment portal system to provide efficient workflows and greater transparency for student financial accounts.

Edular is a required tool for all students and supports accountability, communication, and success throughout the program.
